THE Community FOUNDATION SAN LUIS OBISPO COUNTY | SCHOLARSHIP OPPORTUNITIES

Scholarship Activities Form – Common Application-High School

Student Name: _____

Message to applicants:
Please complete all 4 sections to the best of your abilities.
Let our volunteer community evaluators decide which activities count—include everything you've done.
For example, if you work after school every day, you might not have much volunteer experience.
Alternatively, if you are involved in multiple sports or clubs, you might not have the time to work after school or volunteer.
That's okay! Write who you are, not what you think we want to hear!
