

SAN LUIS OBISPO COUNTY

DEAR COMMUNITY FOUNDATION FAMILY,

As we compiled the information within our 2019 Community Impact Report, it was hard to imagine what we would face in the coming months of 2020. However, while this report serves as an opportunity to share and celebrate the work we did last year, our current environment serves as a reminder of the dire need for ongoing support of community impact.

Last year marked \$37 million in grants and scholarships that The Community Foundation has been a catalyst to reinvesting into San Luis Obispo County since its inception. In the following pages you will find examples of how this tremendous support has directly impacted our families, friends and neighbors.

Every day we are proud to be a part of the family that supports The Community Foundation San Luis Obispo County. When faced with challenging times, such as these, we are comforted by the confidence in working alongside the leaders in philanthropic giving, such as yourselves.

We look forward to continuing the critical work of The Community Foundation and to growing our impact in San Luis Obispo County, a place we are all so fortunate to call home.

Thank you,

Tom Sherman President

GRANTS

IN 2019 THF FOUNDATION AWARDED

The vibrant and diverse nonprofit organizations in San Luis Obispo County provide support and services that enrich and improve the quality of life for all calling this beautiful area home. The Community Foundation supports and partners with many nonprofit organizations through our numerous grant programs addressing various community needs.

THE LAND CONSERVANCY

As one of the best places to live, area residents are fortunate to benefit from The Land Conservancy of San Luis Obispo County. The projects and programs of this nonprofit have an important impact.

Since 1984, they have permanently conserved over 24,000 acres of land ensuring we have wild natural areas, productive family farms and ranches, clean fresh water, and stunning landscapes forever.

Thanks to our donors, The Community Foundation awarded *more* \$42,000 in grants to The Land Conservancy programs, including the Pismo Preserve, the restoration of the Octagon Barn and the educational Learning Among the Oaks programs.

IMPACT THROUGH collaboration

SOCIAL INNOVATIONS FUNDING COLLABORATIVE

Social Innovations Fund (SIF) is a collaboration of funders committed to supporting innovative programs of our nonprofit organizations which focus on an individual client's personal fulfillment and growth. Funding provided through SIF encourages nonprofits to take risks and explore new opportunities.

In 2019, *a two-year grant award of \$50,000* was presented to Courtney's House, which provides vocational and employment opportunities for adults with intellectual and developmental disabilities, helping them find and celebrate their strength as well as their value in our community. Their

mission to provide a safe, supportive, inclusive environment for building social and life skills through personal fulfillment and growth is also creating systemic change, as the community interacts with their interns and employees.

SCHOLARSHIPS AND AWARDS

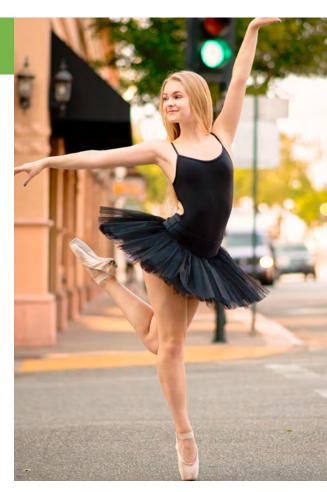

IN THE AMOUNT OF \$247,250

The Community Foundation's Scholarship Program was established in 2000 by generous individuals, families, businesses and organizations to ensure local students have the opportunity to pursue their educational dreams. We manage a variety of scholarships and awards for high school and college students.

JENNIFER THOMA MEMORIAL BALLET SCHOLARSHIP

Bill Thoma contacted the Foundation about his family's interest in establishing the annual scholarship as a means of keeping his wife, Jennifer's, passion for the art of ballet alive following her passing in 2012. The Jennifer Thoma Memorial Ballet Scholarship was established to help local dancers realize their dreams by providing support to attend summer intensive training programs. Jennifer touched lives in ways she never fully realized and will continue to do so into the future through this scholarship.

In 2019 the Jennifer Thoma Memorial Ballet Scholarship was awarded to Grace Shirley, age 15, an honor student at Templeton Independent Study High School. The \$2,500 scholarship provided support for Grace to attend a summer intensive ballet training program in the summer of 2019.

Paso Robles High School senior Tyler Schimke shared the impact of receiving the 2019 Douglas DeGross Scholarship in Automotive Studies. He explained,

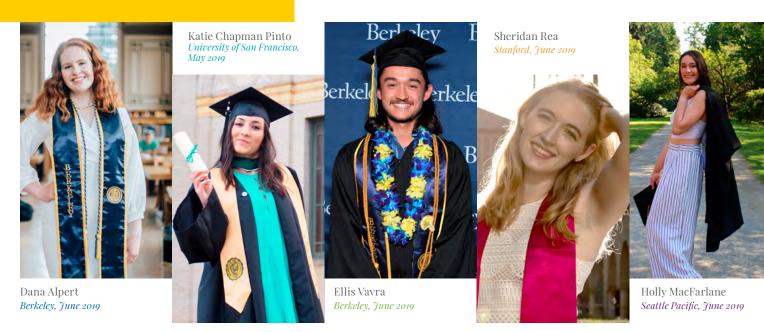

I've always been quiet and shy; school has not been an easy road. I feel valuable now! Having some success has made my life more interesting and I've felt more confident. It has changed life for me and given me a future direction. I'm ready to see where the road will lead.

MULTI-YEAR SCHOLARSHIPS

The college class of 2019 was awarded \$70,000 in scholarships that were dispersed throughout four years of college.

Benefitting graduates earned their degrees at the following schools: UC Berkeley, Political Science B.A., Piantanida Scholarship/Weyhrich Award; University of San Francisco, Politics of Transformation B.A., McAdams Scholarship/Weyhrich Award; UC Berkeley, Geophysics, B.A. Switzer Scholarship; Stanford University, Biology B.S. with Computer Science minor, Piantanida Scholarship/Weyhrich Award; Seattle Pacific University, Nursing B.S.N., Coryell Scholarship

DONORS

We bring together the financial resources of community members, families, organizations, private foundations and local businesses to support the nonprofits that serve and strengthen our communities. Community members may establish a permanent Donor Advised Fund with an irrevocable, tax-deductible contribution. They receive an immediate tax deduction in the year the contribution is made.

For permanently endowed funds, the Foundation manages and invests funds to increase the amount of the gift over time. The donor may then recommend a grant from those funds—either in the form of one large grant or smaller grants over time—to a charitable organization or cause. The Foundation provides guidance and support to donors in deciding when and where to give.

LEGACY GIVING

The Community Foundation accepts bequests from donors who have directed in their estate plans that certain assets be transferred to The Foundation and honors the wishes of the donor. By designating a gift, the Foundation can ensure that a donor's impact continues in the community.

I was able to work with the Foundation to identify specific needs I would like my estate to support. This is my home and my heritage. If there is something I can do that shows I care for my community, I know the Foundation will honor those wishes.

THE COMMUNITY FOUNDATION IS **DEDICATED** TO improving the lives of **PEOPLE** IN THE REGION.

Having a Donor Advised Fund at the Foundation comes with many benefits.

Some are practical, like donating stocks with significant capital gains. I personally appreciate the consolidation of research available and education about the philanthropic landscape in our region. It helps me to understand where I can generate the most impact." - DR. ANNEKA SCRANTON, DONOR

As a resource for local charitable giving, the Foundation is a vehicle to execute the distribution of donated assets, while considering the changing needs and interests

of the region. We are so thankful we came to learn about this organization through our involvement with Kelly's scholarship.

SPECIAL PROGRAMS

The Community Foundation recognizes that many different factors contribute to healthy, vibrant and thriving communities. Field of Interest Funds support specific areas of interest, such as the arts, education or underserved segments of the population. A highlight of some of the Field of Interest funds at The Community Foundation include the WOMEN'S LEGACY FUND, GROWING TOGETHER: AN LGBTQ FUND, AND ACCESS FOR ALL FUND.

MORE THAN \$22,000 DIVERSITY TO OUR LGBTO COMMUNITY.

AN ACCESS TO HEALTHCARE PRESENTATION WAS OFFERED TO HEALTH PROFESSIONALS ENSURING COMPETENT AND ACCESSIBLE **HEALTHCARE** FOR PEOPLE WITH DISABILITIES.

IN OUR BACKYARD

In Our Backyard is an education program for Foundation donors to share conversations with the agencies that are providing needed services in our community. In 2019, we offered three unique interactive education sessions for our donors as part of our popular In Our Backyard series. Programs included: ABCs for Success: Early Literacy, Homelessness on the North Coast, and Full Speed Ahead to Successful Futures for Girls.

PROFESSIONAL ADVISORS LUNCHEON

The Annual Professional Advisors Luncheon provides an educational and networking opportunity for local professional advisors to learn more about their role in raising awareness of charitable giving within our community. A highlight at this year's luncheon was a speech by scholarship recipient Andrew Galassi. His enthusiastic presentation about his

internship at NASA's Jet Propulsion Laboratory and his work on the Mars rover, was exciting for everyone. Andrew also shared about the impact our scholarship has had on his college career and opportunities.

DISASTER SUPPORT FUND

Through the Disaster Support Fund, The Community Foundation offers a way for San Luis Obispo County residents to unite and share in supporting those impacted any devastation. In 2019, we supported our neighbors in both Northern and Southern California who experienced devastating fires and floods.
